Mediterranean Premium Village****

Surrounded by the sea and aromatic herbs, these holiday homes offer a true Mediterranean experience. Lavender, rosemary and fig scents travel along this part of the campsite looking out onto endless vineyards. Lying in the shade of an oak forest, with transparent sea and two pools nearby, this village is a perfect refreshment in the summer heat. Our guests' favourite get-together venue is located right in the centre of the village, with a typical Istrian well and a grill zone next to the covered terrace.
